Student: please make a copy for your advisor and submit the original to Lee Quinby.

- Advisor: Please evaluate this student’s Honor’s thesis as the result of the yearlong project. It is important for you to indicate whether the student has achieved a level of work befitting honors. In your comments, please provide as much detail as you can in addressing the student’s accomplishments. Some issues you might consider are:
  - Quality of overall project;
  - Expertise attained over the course of the year;
  - Innovativeness of the argument;
  - Contribution of the research to the field.

Advisor: Please type your comments and email them to lee.quinby@mhc.cuny.edu
